PRESS RELEASE

CONTAX Achieves AWS Advanced Consulting Partner Accreditation

TORONTO ON, - February 3, 2020 – CONTAX, Inc. today announced its achievement of the AWS Advanced Consulting partner accreditation in the Amazon Web Service (AWS) Partner Network (APN). APN Consulting Partners are professional services firms that help customers design, architect, build, migrate, and manage their workloads and applications on AWS, accelerating their journey to the cloud.

"We are excited to announce our Advanced Tier achievement as it shows our commitment to excellence in the area of cloud computing," said Michael Pearson, President of CONTAX. "Our forward thinking customers trust us to guide them through the fast changing world of technology and our deepening partnership with AWS allows us to offer them best in class software powered by AWS' industry-leading cloud computing. We feel that the AWS cloud offers the reliability and scalability to let our customers focus on running their businesses with SAP® instead of managing their IT resources."

CONTAX joins a distinguished list of AWS Advanced Consulting Partners in having met AWS' strict requirements around knowledge, experience, and customer success.

CONTAX' customers benefit from working with an SAP Gold Partner that also has a deep understanding of the special needs and possibilities of running SAP workloads on the AWS cloud. Their customers are able to leverage the reliable and secure cloud infrastructure that AWS provides to run their businesses better.
